INTRODUCTION

Established since 2016, CASUAL CLUB has been in the business of manufacturing High End Fashion Denim Garments for Men, Women and Children.

CASUAL CLUB have in-house virtual capacity of 10,000 units with Cutting, Embroidery, Sewing, Packing & Washing under one roof which is located in Karachi, the business hub of the Pakistan.

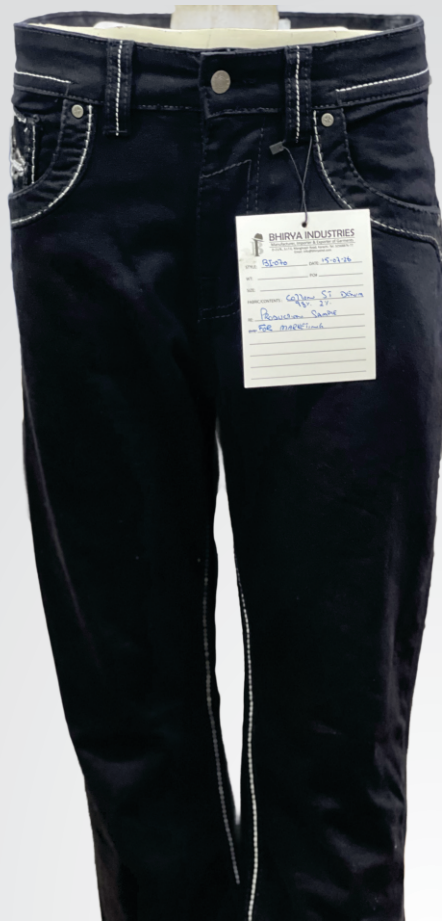

OUR VISION

CASUAL CLUB strives to be the benchmark in manufacturing of garments for its customers around the world. It is our prime objective to develop strategic partnership and maintain a superior level of integrity and interactions with our customers.

CASUAL CLUB offer highest standards of quality products and services with minimum lead time through scientifically engineered production systems & techniques, state-of-the-art technology, highly professional employees & skilled workers, and fashionably innovative product developments.
